The image shows a dark-themed VPN login interface. At the top, there is a stylized icon of a building with a semi-circle above it, and the text "SECURE MOBILE ACCESS" below it. The main text "Please choose your domain" is centered. Below this, the word "Domain" is displayed above a dropdown menu. The dropdown menu currently shows "GymAdm" and has a small downward arrow on the right. At the bottom, there is a large orange button with the text "NEXT" in white capital letters.
